*Wisconsin's First City*

**"A Small Community Doing Business in a Big Way . . . "**

Abbotsford, at the junction of Highways 29 and 13, is home to over 160 businesses and industries which provide a wide variety of services and employment opportunities. The school district offers a well balanced curriculum with modern classrooms and technical facilities.

The city has a library, softball and baseball diamonds, parks, many restaurants, and an indoor swimming pool at the High School. There are numerous antique shops in the city and surrounding area. Industry is served by two major highways and railway freight service.

Abbotsford is home to the annual Abbotsford Christmas Parade, held since 1971, on the first Saturday in December. The parade features costumed characters and colorfully lit floats and delights thousands of spectators who come from all over Wisconsin each year. Another well-known Abbotsford attraction is the huge ice cream cone outside the dairy store.
